LETTERING SAMPLES

HELLO, AND THANKS FOR READING.

My name is Tom Williams, and I'm a seasoned comics and fiction editor and professional letterer with over 18 years of experience working in the publishing industry.

Included here is a selection of lettering samples from published titles I've had the privilege of lettering over my career, ranging from licensed tie-ins and series based on existing intellectual properties; independently created, original comics titles; and translated works.

My past clients include Image Comics, IDW, Titan Publishing, Humanoids Press, Heavy Metal, ZZ Comics, as well as many private and independent clients.

For further enquiries and information, please don't hesitate to contact me on:
